PROFILE

I am a passionate packaging professional with more than six years working experience in operational and product excellence. Capable of supervising and coordinating the functioning of high volume production lines and improving their performance to enhance quality, I also have good skills in the use of equipment's and ensuring that quality control and safety measures are adhered to. This is because of my ability to reason and solve problems quickly even when faced with pressure and working in a team; I am keen to join the Canadian packaging industry.
